BRINK&CAMPMAN COLLECTION ’19

COLLECTION ’19

Dear customer,

The need for genuineness and contemplation is growing in a time where possibilities seem to be endless.

Our brand new Brink & Campman Collection ’19 focusses on these things that matter to us the most: the love for technique and material in a rug. The authenticity of these elements come to life fully by the boundaries that are continuously explored and stretched by Brink&Campman’s design studio. The production and developments’ synergy is a power mastered by us on a high level, which results again this year in a versatile but clear, on-trend collection.

We wish you lots of interior inspiration!

Sjouke Jan Zwarthoff
Director/CEO

Geachte relatie,

In een tijd waarin niets onmogelijk lijkt, ontstaat steeds meer behoefte aan eigenheid en verdieping.

Met de nieuwe Brink & Campman Collection ’19 hebben we de focus gelegd op datgene wat voor ons het belangrijkst is: de liefde voor techniek en materiaal in een vloerkleed. De authenticiteit van deze elementen komt extra tot leven door de grenzen die de ontwerpstudio van Brink&Campman voortdurend opzoekt. De synergie tussen productie en ontwikkeling is een kracht die wij als geen ander verstaan, wat zich wederom uit in een veelzijdige maar heldere, trendbewuste collectie.

Veel interieurplezier gewenst!

Sjouke Jan Zwarthoff
Directeur/CEO

Made in Holland

Next to the office, our Brink&Campman factory is located in Lichtenvoorde, Holland. A big part of the rug collections are produced here by skilled professionals on axminster looms and tufting robots. High-quality wool is felted here into a beautiful yarn, from which the iconic Rocks rugs are being woven. A truly Dutch product!

Made in Holland

Naast ons kantoor staat ook de eigen fabriek van Brink&Campman in Lichtenvoorde. Met behulp van axminster weefgetouwen en tuftrobots wordt hier een groot deel van onze collecties door vakmensen vervaardigd. Ook onze wol wordt er gevold tot een mooi garen, waar bijvoorbeeld de iconische Rocks kleden van geweven worden. Een op en top Hollands product!

Maintenance

All our rugs are made with understanding and expertise. Either handmade by skilled craftsmen, or in a specialty manufacturing facility. All rugs are finished with care and are quality checked before shipment. Each type of rug needs a specific care to ensure a certain longevity. You will find a leaflet containing rug facts and maintenance advise to help you understand and maintain your rug up to the best standards on www.brinkandcampman.com.

Al onze kleden zijn vervaardigd met inzicht en deskundigheid. Ofwel handgemaakt door bedreven ambachtslieden, of in een gespecialiseerde productie faciliteit. Alle vloerkleden zijn met zorg afgewerkt en op kwaliteit gecontroleerd voor verzending. Elk type vloerkleed vereist een specifieke behandeling om een lange levensduur te kunnen garanderen. U vindt een folder vol feiten over vloerkleden en onderhoudsadvies om u te helpen uw kleed op de best mogelijke manier te begrijpen en verzorgen op www.brinkandcampman.com.

Anti-slip

We strongly advise you to purchase a Brink&Campman non-skidding carpet underlay along with your rug. This carpet underlay provides longevity and guarantees your warranty. Furthermore it is heat insulating and sound dampening, suitable for floor heating and enhances the overall comfort.

Wij adviseren u met klem om tegelijkertijd met uw vloerkleed een Brink&Campman ondertapijt aan te schaffen. Dit ondertapijt zal voor een langere levensduur zorgen en u verzekeren van uw garantie op het vloerkleed. Bovendien werkt het warmte isolerend en geluiddempend, is het geschikt voor vloerverwarming en zal een ondertapijt het algemene comfort aanzienlijk verhogen.

BRANDS

In addition to our Brink&Campman collection, we present in this catalogue the collections of our designer associations and branded products. Our studio develops and we manufacture licensed collections for prominent brand names from the international home interior and fashion world.

His legacy continues today with Morris & Co., curating beautifully crafted fabrics, wallpapers and home accessories inspired by his original designs.

TED BAKER

TED BAKER
Rug Collection

Ted's appreciation for a beautiful rug began on the snowy summit of the Altai Mountains in Siberia. Seeking a light bulb moment and a breath of fresh air, he stumbled (quite literally) upon a magnificently embellished piece of carpet, buried under a snow-capped rock.

Inspired by the stylish scrap of tapestry found at 4,000 feet, each rug in this collection is lovingly handcrafted, weaving Ted Baker's signature eye for style with Brink & Campman's craftsmanship. With iconic prints and head-turning colours, these fashionable foundations offer wall-to-wall flair and make every house a home.

BLUEBELLGRAY

BLUEBELLGRAY
Rug Collection

Designer Fi Douglas spreads happiness and colour with her contemporary watercolour style prints and signature colour palette.
Est. 2009 Fi started Bluebellgray on her kitchen table with a collection of just 6 cushions. Nine years on, Glasgow School of Art graduate Fi has grown Bluebellgray into an internationally renowned print studio offering a full lifestyle collection stocked in the best department stores and design boutiques in the world. Now with a team of 14 in her Scottish studio and a mother to two young boys, Fi's original hand painted watercolours remain at the heart of the Bluebellgray brand.
Fi says, "I'm a huge believer of feel good design; if my designs can add a little happiness and brightness to someone's day, then they have achieved what I set out to do with Bluebellgray".
